make a living as a professional gambler

I am known to many simply as "The Guru". I have been a professional gambler for many years and have developed many winning black jack card counting . But even I know that black jack card counting is a tough game to beat. In fact, it took me almost 2 years of intensive research, and testing to finally come up with a system that was a long term black jack card counting winner. But once the doors of revelation and understanding were opened, a flood of ideas came forth and one winning system after another was developed. You can read about the evolution of my black jack card counting by clicking here.

Despite what the so-called "Gambling Experts" may say, and despite what casino management themselves may believe, black jack card counting CAN BE BEATEN ON A CONSISTENT BASIS! And I have the black jack card counting to prove it.

Gamblers have been searching for systems like these for years, but have been disappointed time and time again. I spent thousands of dollars on worthless black jack card counting before finally realizing that if I was ever going to have a method that would consistently beat the game of black jack card counting I was going to have to develop it myself. And so, after almost 2 years of diligent effort and often much frustration, I finally succeeded. I know have developed not one, but three separate WINNING black jack card counting ! Other's have failed to come up with just one successful system, while I have developed three!
