winning baccarat systems

I am known to many simply as "The Guru". I have been a professional gambler for many years and have developed many winning black jack . But even I know that black jack is a tough game to beat. In fact, it took me almost 2 years of intensive research, and testing to finally come up with a system that was a long term black jack winner. But once the doors of revelation and understanding were opened, a flood of ideas came forth and one winning system after another was developed. You can read about the evolution of my black jack by c l i c k i n g h e r e .

Despite what the so-called "Gambling Experts" may say, and despite what casino management themselves may believe, black jack CAN BE BEATEN ON A CONSISTENT B A S I S ! A n d I h a v e t h e b l a c k j a c k t o p r o v e i t .

Gamblers have been searching for systems like these for years, but have been disappointed time and time again. I spent thousands of dollars on worthless black jack before finally realizing that if I was ever going to have a method that would consistently beat the game of black jack I was going to have to develop it myself. And so, after almost 2 years of diligent effort and often much frustration, I finally succeeded. I know have developed not one, but three separate WINNING black jack ! Other's have failed to come up with just one successful system, while I have developed three!
