

Tip Craps

winning baccarat systems

I am known to many simply as "The Guru". I have been a professional gambler for many years and have developed many winning tip craps . But even I know that tip craps is a tough game to beat. In fact, it took me almost 2 years of intensive research, and testing to finally come up with a system that was a long term tip craps winner. But once the doors of revelation and understanding were opened, a flood of ideas came forth and one winning system after another was developed. Despite what the so-called "Gambling Experts" may say, and despite what casino management themselves may believe, tip craps CAN BE BEATEN ON A CONSISTENT BASIS ! A n d I h a v e t h e t i p c r a p s t o p r o v e i t .

Gamblers have been searching for systems like these for years, but have been disappointed time and time again. I spent thousands of dollars on worthless tip craps before finally realizing that if I was ever going to have a method that would consistently beat the game of tip craps I was going to have to develop it myself. And so, after almost 2 years of diligent effort and often much frustration, I finally succeeded. I know have developed not one, but three separate WINNING tip craps ! Other's have failed to come up with just one successful system, while I have developed three!
